Round Two: Option Review and Refinement

At this workshop, the review team will seek community feedback on the bus service improvement plans that have been developed for each bus review as a result of the Round One workshop. The aim of this workshop is to ensure that options for bus service development are focussed on local community needs.

Workshop Two is currently scheduled for mid 2009. Invitations for this will be issued once dates and venues are confirmed.

Written Submissions

In addition to the workshops we are also inviting written submissions regarding particular transport needs within the community or potential improvements. Submissions should be sent to **either** the Brimbank/Melton Bus Service Review or the Brimbank/Hume/Melton/Moonee Valley Bus Service Review, PO Box 2797, Melbourne VIC 3001. The closing date for submissions is Friday 27 February 2009.

We look forward to working with you in this important, interesting and challenging project.
