Dear Sir/Madam

Re: Traffic Calming on Plumpton Road

Thank you for your feedback in relation to the type of traffic treatment to be installed on Plumpton Road.

Council have resolved to install Flat Top Speed Humps in two locations along Plumpton Road.

Locations of the treatments have been determined according to the relevant standards and are detailed on the attached plan.

The treatments will be installed in the coming months

Please do not hesitate to contact Brendan Sell on 9747 7133 if you have any enquiries regarding the above matter.

Yours Sincerely,

A handwritten signature in black ink, appearing to read "Phil Jeffrey".

Phil Jeffrey
DESIGN AND TRAFFIC COORDINATOR
